### DOL Systems Cutover Review

**License Express Pre-application:** The system is no longer available until opening of business on September 4, 2018. During this time, students and customers will not be able to obtain their 12 digit driver license number.

**Driver Training School Portal Offline:** Beginning on Wednesday, August 29 at 8:30 pm until the opening of business on September 4, 2018, the Driver Training School (DTS) portal will not be available. If you are testing during this timeframe, see the attached Listserv for the requirements.

- 
- Inform customers of delays in entering exam scores
- Distribute customer handout (attached)
- Provide customer with supplemental testing policy

**Permit Waiver 10-day Window:** Due to limited system availability, in preparation for DRIVES, the Department of Licensing has approved driver permits to be issued outside of the 10-day window. Students enrolled in traffic safety education (TSE) during September can obtain their permit more than 10 days before their course start date. The Licensing Service Offices have been notified of this decision and are ready to help students obtain their permits.
